

**DAVID RHODES**  
**Vice President**  
**Business Development**

---

## **EDUCATION**

Bachelor of Science in Business Administration/1980  
University Of The Cumberlands, Williamsburg, Kentucky

## **CAREER HISTORY**

The Walker Company, Mt. Sterling, Kentucky  
1980-Present  
Vice President of Business Development

## **AREAS OF EXPERTISE**

Mr. Rhodes has been involved in all aspects of the company's operation. Beginning in 1980, Mr. Rhodes was heavily involved in the civil/earthwork division of the company. His responsibilities were estimating and project management. Beginning in 1987, Mr. Rhodes was named project manager of our north eastern paving operation. During this time, Mr. Rhodes was in charge of both the physical plant and asphalt paving construction operations. The Walker Company completed several sections of the AA Highway during his leadership.

In 1992, Mr. Rhodes moved to the company's general contracting division. During this time, Mr. Rhodes has been in charge of all work associated with building vertical construction including warehouses, schools, court houses, commercial, and design-build projects.

Today, Mr. Rhodes is involved in sales and marketing while assisting in project management and estimating on various projects.

## **PROJECT EXPERIENCE**

A detailed list of project experience can be provided upon request. Project responsibilities include daily managing of equipment, labor, and subcontractors; managing schedules and budgets; providing technical support and documentation of the work performed; and coordinating work between the design team and the owner.
